

MOSCOW CITY GOVERNMENT RESOLUTION

19 May 2009 N 445-III

Conceptual development of Moscow as a national and international centre for financial services

Given the significance of the development of a sector for international standard financial services in the Russian Federation and the City of Moscow, with a view to Moscow evolving into a leading international financial centre, the Moscow City Government hereby resolves as follows:

1. The development of Moscow as a national and international centre for financial services shall be deemed as a priority project for the Moscow Government.

2. The following is to be approved:

2.1. Conceptual development of Moscow as a national and international centre for financial services (see Appendix 1).

2.2. Plan of activities for the executive bodies of power of the City of Moscow for developing Moscow as a national and international centre for financial services (see Appendix 2).

3. The implementation of This Resolution shall be supervised

by Yu.V.Roslyakov, Executive Deputy Mayor of Moscow, Moscow City Government.

**Mayor of
Moscow**
